Highlights

imagen Pro for vibrant colours

The unique Philips imagen enhancement technology automatically analyses your photos to correct colour and adjust for optimal contrast. imagen Pro is a more advanced image enhancement which includes the 3 essential elements from imagen to have more colour accuracy, colour depth and smart contrast. On top of these, imagen Pro offers enhanced skin colour, sharper images and flicker-free photo viewing which is very important for still pictures.

Battery Docking Station

This battery charging dock doubles as a stand as well as a battery charging station. Once fully charged, the frame's built-in battery is good for 2 hours of cordless sharing of photos.

Touch border control

The touch sensitive controls are instantly illuminated during operation, making it easy and enjoyable to scroll through your photos smoothly.

Quick easy menu

Philips unique quick easy menu design gives you the best experience when browsing, searching and organising

Family event reminder

Family event reminder displays selected photos at specific times to remind you of upcoming anniversaries, birthdays and other important occasions of your families.

View photos with collages

choose to view your photos with 10 collage styles!

A choice of 15 animated clocks

Keep time your way, with a choice of 15 fun animated clocks.

Auto on/off display

A timer turns PhotoFrame on and off at the times you choose, reducing energy consumption for the sake of our environment and saving up to one third of your PhotoFrame energy costs.
