Highlights

1.2-m long cable

1.2-m long cable is ideal for outdoor use

2000 mW high power handling

High power handling offers high performance whatever the volume or source. Delivery is clear and distortion-free, even at high volumes or high audio input power levels.

40-mm speaker driver

40-mm neodymium speaker drivers deliver excellent sound clarity with high-impact bass.

Adjustable ear shells, headband

Adjustable ear shells and headband are designed to always fit your head comfortably so you don't even notice you are wearing them.

Closed-type acoustics

Closed-back system blocks out ambient noise for immersive listening

Compact foldable design

Made to give you the best experience on the go, the SHL3260 can be folded away for perfect portability and easy storage. Clever design and careful selection of components, including durable hinges, allow them to be manoeuvred with ease.

Earpieces swivel 165°

Designed with aspiring DJs in mind, the headphones' earpieces each rotate 165° for convenient one-ear listening while track mixing. The swivel can also be useful during normal listening, when outside sounds need to be heard.

In-line mic and pick up button

In-line mic and pick-up button for easy hands-free calls

Soft breathable ear cushions

Soft ear pads improve breathability and dissipate pressure and heat for longer-wearing comfort.

Tested with 12,000 cable bends

Tested with 12,000 cable bends for assured durability
