Highlights

Advanced PIP with toggle

Allows you to switch back and forth between two channels from two different tuners.

Subtitle, zoom, repeat buttons

Enjoy complete access to your DVD features: view subtitles, and repeat scenes at the touch of a button.

Chapter +/- and chapter scan

Easily locate and scan the succeeding or preceding chapters on a disc at the touch of a button.

Sleep timer

Programmable to shut off the TV anywhere from 1 to 99 minutes. Will act as a sleep timer for any TV with or without a sleep timer.

Volume/Mute punch through

Eliminates the need to switch back to TV mode to control volume and mute functions

Closed caption

Conveniently displays program dialogue as on-screen text. It will only work with TVs equipped for closed captioning.

Guide, info/select and scroll

Enjoy all your satellite system has to offer. Features allow you to access on-screen satellite channel guide, info, select/OK, quit, and scroll to easily navigate through the guide.

Easy keypad design

Convenient ergonomic access to all features and functions of the remote control makes it easy to access and operate.

Input choices

Allows you to select from available viewing sources

Menu

The ability to access each component menu and set up the component to your needs.

Quick learning

The ability to copy favorite features and functions from existing remotes. Remotes are placed head to head and codes are transferred from one to another.
