Highlights

10W sound output power

Rich bass radiators with 10W output enable small speakers to reproduce bass frequencies more effectively without having to increase their size. So better bass with less space!

USB Plug and Play

USB Plug and Play means that the device conforms to USB standards and is recognized by the PC or Laptop. This makes plugging in USB devices quick and simple to do.

FM tuner

The built-in FM tuner lets you enjoy your favorite songs or news from your radio station every day. Simply tune into the station that you want to listen.

AUX-in for easy connection

AUX-in for easy connection to almost any electronic device
