- Smart, fabric-covered design
- Soundbar can be mounted on the wall or table

Proper cinema experience

- 2 inbuilt diagonal facing tweeters for soundstage expansion
- 5.1.2 channels with wireless subwoofer
- Dolby Atmos. Cinematic sound
- DTS Virtual:X creates real 3D surround sound

Full connectivity

- HDMI in and HDMI out (eARC)
- Philips Easylink to control the soundbar with your TV remote
- Roku TV Ready™. Simple setup. One remote. Quick settings.
- Connect via Bluetooth, optical in, USB and Aux in

PHILIPS

Highlights

5.1.2 ch. Wireless subwoofer

Whether you're relaxing to your favorite playlist or surrounded by the roars of dinosaurs, this soundbar's 5.1.2 channels including center channel for voice clarity and powerful, wirelessly connecting subwoofer immerse you in rich, vibrant, cinematic sound.

Dolby Atmos. Cinematic sound

5.1.2 channels reproduce height as well as depth, creating unbelievably rich surround sound. Whether it's spaceships flying overhead or the crowd in an arena, you'll feel the drama flowing above and all around you.

DTS Virtual:X

Experience real three-dimensional sound like you're actually at the cinema! This incredible soundbar features DTS Virtual:X technology that adds height, width and breadth to create a fully immersive surround sound experience.

Wider soundstage

Widen the sound even further! Two extra tweeter speakers built in at either end of the soundbar broaden the soundstage to give you an even richer experience. Fill your space with exquisite sound and enjoy your music and movies like never before.

Stadium EQ Mode

Select one of four preset EQ modes to heighten your experience. Stadium EQ Mode immerses you in ambient crowd noise, just like you were sitting in the stadium! Be thrilled by every crucial moment—and still hear crystal-clear commentary.

Connect your favorite sources

Stream playlists from your mobile device via Bluetooth. Your media sounds richer, deeper, and clearer through this phenomenal soundbar

and subwoofer. You can also connect via Audio in, optical in, USB or HDMI out (eARC).

HDMI in and HDMI out (eARC)

Lose nothing from the mix when you're immersed in the drama. This soundbar is compatible with HDMI eARC, a high-speed connection that lets you experience the full effect of advanced audio formats like Dolby Atmos.

Roku TV Ready™

This Philips Soundbar is Roku TV Ready certified. That means you'll enjoy a simple setup, one remote, and quick settings when you pair it with a Roku TV. Roku, the Roku logo, Roku TV, Roku TV Ready, and the Roku TV Ready logo are trademarks and/or registered trademarks of Roku, Inc.
