- Easy installation and automatic channel search

Extra touches for your convenience

- Up to 5-hour playback with a built-in battery*
- AC adapter, car adapter and AV cable included
- Car mount pouch included for easy in-car use

PHILIPS

Highlights

5-hour built-in battery*

This Philips player comes with a compact built-in rechargeable battery for long-lasting power. Up to 5 hours of continuous movie, photo and music playback enjoyment can be achieved on a single charge. Just plug in the power cable to recharge the player - it's that simple.

30cm/9" swivel col. LCD panel

The screen swivels 180 degrees to give you the optimum viewing angle for watching movies and photos. Rotate the screen or adjust it up and down to cut down on glare and get the best viewing angle possible.

DVD, DVD+/-RW, (S)VCD, CD

The Philips Portable DVD player is compatible with most DVD and CD discs available in the market. DVD, DVD+/-R, DVD+/-RW, (S)VCD and CD – all of them can play on the DVD player. DVD+/-R is a shorthand term for a DVD drive that can accept both of the common recordable DVD formats. Likewise, DVD+/-RW handles both common rewritable disc types.

Support DVB-T (free-to-air)

Support DVB-T standard for free-to-air digital TV

DivX Certified

With DivX[®] support, you are able to enjoy DivX encoded videos and movies from the Internet, including purchased Hollywood films. The DivX media format is an MPEG-4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW and DVD recordable discs, USB storage and other memory cards for playback on your DivX Certified[®] Philips device.

USB connection

Simply plug in your portable USB device to the USB connector on your Philips portable DVD player and playback your digital videos, music or photos directly. Now you can share your favourite moments with family and friends.
