

Battery

- 1.4V
- Zinc-air

ZA13BX30/00

Top quality Zinc-air technology for hearing aids

Provides a long lasting performance in personal hearing aids

Benefits

Top Performance

- Reliable for long term performance
- Zinc-air technology is designed for hearing aids
- The battery remains fresh for use for up to 3 years

Ease of Use

- Colors make recognition of battery sizes easier
- The dispenser makes removal of cell easy

Features

Reliable performance

In manufacturing excellent technology is being used to guarantee a reliable and long term performance.

Zinc-air technology

Zinc-air technology to power your hearing aid.

Easy color coding

To make recognition of the most common battery sizes easier, we use color coding for battery sizes according to industry standards.

Easy rotary dispenser

In this packaging system a rotary wheel is used which makes removal of the cell very easy.
