Highlights

10W sound output power

Rich bass radiators with 10W output enable small speakers to reproduce bass frequencies more effectively without having to increase their size. So better bass with less space!

Cable length can be variable

Easy cable management helps organize messy cables so you can have a tidy desk, and the cable length is adjustable to suit your needs.

Enjoy music/games/movies/video

The perfect accompaniment for your notebook and netbook, so you can play multimedia music and videos with great sound quality.
