# Highlights

## TV Aerial Extension Kit

The TV Aerial Extension Kit provides all the necessary parts needed to extend or split your TV aerial, including a high-quality coaxial cable with extra shielding, standard IEC 9.5 female to female adapter, Y splitter, cable connectors and surface socket plugs. Cable clips are also provided to neatly manage your cables.

## Nickel-plated connectors

Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.

## Flexible PVC Jacket

Flexible PVC jacket provides protection to the delicate core of the cable. It also offers extended durability and ease of installation.

## Includes F/F Adapter

Female/Female adapter included for versatile application of the product.

## High-purity copper

This copper conductor provides high accuracy in signal transfer with minimal resistance.

## Bare copper shielding

Bare copper shielding protects against signal loss.

## Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

## Moulded plug

Moulded plugs ensure secure connections between components and offer extended durability.
