Highlights

Audio out

A single 3.5 mm cable allows you to connect to a home stereo or powered speakers so you can share your music out loud.

Connect with one USB 2.0 cable

Use a single cable to connect to a PC to synchronise your music, photo and video libraries. Also to charge your iPod.

Convenient remote control

Control your iPod from up to 30 feet away.

S-Video out

A single S-video cable allows you to connect to a TV so you can share your photo and video libraries on a bigger screen.
