# Highlights

## Detachable internal case

Because sometimes a slim sleeve is all you need for protection on the go, the internal case is detachable for a quick on-the-go solution that fits easily in your bag or backpack.

## Easily change viewing modes

The detachable inner case can be set up in either portrait or landscape mode for the most versatile hands-free viewing.

## Formed for viewing angles

The internal padding of the case is formed into subtle ridges, giving you multiple options for your ideal viewing angle.

## Padded body protects display

This case features a plush, padded body designed especially to protect the fragile front display of your device.
