- Built-in stereo speakers

Extra touches for your convenience

- Up to 5-hour playback with a built-in battery*
- Protective pouch included
- AC adaptor, car adaptor and AV cable included

PHILIPS
sense and simplicity

Highlights

DVD, DVD+/-RW, (S)VCD, CD

The Philips Portable DVD player is compatible with most DVD and CD discs available in the market. DVD, DVD+/-R, DVD+/-RW, (S)VCD, and CD – all of them can play on the DVD player. DVD+/-R is a shorthand term for a DVD drive that can accept both of the common recordable DVD formats. Likewise, DVD+/-RW handles both common rewritable disc types.

MP3-CD, CD and CD-RW playback

MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without radically degrading their audio quality. A single CD can store up to 10 hours of music.

View JPEG from picture disc

Play JPEG photos that are saved on your disc. Relive your favorite moments with family and friends anytime you want!

5-hour built-in battery*

This Philips player comes with a compact built-in rechargeable battery for long-lasting power. Up to 5 hours of continuous movie, photo and music playback enjoyment can be achieved on a single charge. Just plug in the power cable to recharge the player - it's that simple.

22.9cm/9" TFT color widescreen

The high resolution color LCD display brings images to life, showing off your treasured photos, favorite movies and music with the same 'real life' rich detail and vibrant colors as high quality prints.

DivX Certified

With DivX® support, you are able to enjoy DivX® encoded videos. The DivX media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, and DVD recordable discs.

Specifications

Picture/Display

- Diagonal screen size (inch): 9 inch
- Resolution: 640(w)x220(H)x3(RGB)
- Display screen type: LCD TFT
- Brightness: 120 cd/m²
- LCD panel type: Anti-glare polarizer
- Contrast ratio (typical): 250:1
- Effective viewing area:
198.240(W)x111.735(H)mm
- Response time (typical): 30 ms

Sound

- Output Power: 250mW RMS(built-in speakers)
- Output power (RMS): 5mW RMS(earphone)
- Signal to noise ratio: >80dB(earphone), >62dB(built-in speakers)
