S1SB

High fidelity, premium quality

Wherever you go

Philips Fidelio S1 headphones are precisely engineered to deliver natural, balanced sound, revealing every detail as the artist intended. Amazing sound presented in a lightweight yet durable design for true comfort and pleasure on the go.

Designed for precision

- High-resolution audio reproduces music in its purest form
- High-powered 13.5-mm neodymium drivers for exceptional sound
- Semi-closed back design for sound balance and bass extension
- Engineered metal housing reduces vibration and resonance
- Handpicked, tuned and tested drivers for a precise match

Listen in comfort

- Lightweight aluminium housing with refined brushed finish
- Ergonomic earphones fit perfectly while dispersing pressure
- Elasticised ring for in-ear stability and super-secure fit
- Comply™ Foam Tips for superb custom fit and noise isolation
- Ultra-soft silicone tips in 3 sizes for a custom, snug fit

Created for convenience

- Switch between music and calls with in-line control and mic
- Durable flat cable keeps your headphones tangle-free

Highlights

13.5-mm neodymium drivers

Each speaker driver is carefully handpicked, tuned and tested before being paired to ensure delivery of the most balanced, natural sound. The 13.5-mm drivers utilise high-power neodymium magnets to deliver deep bass impact, transparent mid-range and refined high frequencies.

Handpicked, tuned and tested

Each speaker driver is specially tested and handpicked for ideal stereo pairs, together delivering superbly deep bass, transparent mid-range and refined high frequencies.

Elasticised ring

Elasticised ring for in-ear stability and super-secure fit

Engineered metal housing

The metal housing is meticulously engineered to reduce resonance and vibration, delivering authentically precise sound marked by incredible sound detail.

Ergonomic earphones

The Fidelio S1 earphones are ergonomically shaped to fit your ear's natural curve, all the while dispersing pressure. Their lightweight aluminium construction and superior materials ensure long-lasting comfort, allowing you to experience true comfort as you enjoy your music to the fullest.

Lightweight aluminium housing

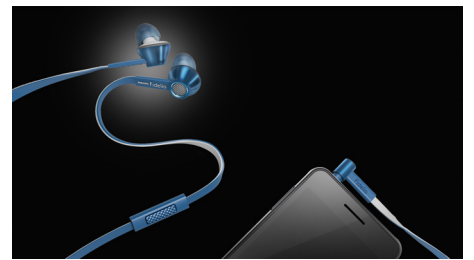

Lightweight aluminium housing with refined brushed finish

Soft and durable flat cable

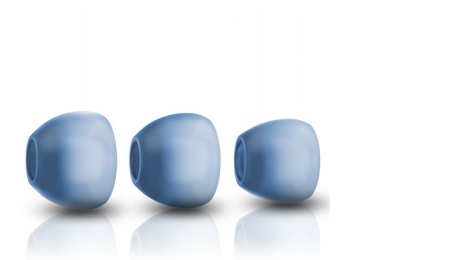

Durable flat cable keeps your headphones tangle-free

In-line control and mic

The Fidelio S1 in-ear headphones feature an in-line remote and microphone so you can switch easily between your music and calls. Stay connected with important people – and your music, always.

3 sizes of soft silicone tips

The Fidelio S1 in-ear headphones come with 3 pairs of acoustically sealed silicone tips to ensure a snug fit as well as longer wearing comfort.
