## Highlights

#### Fast charging

Don't sit around waiting for your device to charge! The power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

#### LED power-indicator light

The discreet LED light glows softly to let you know at a glance that the unit is powered.

#### **USB-C** port

USB-C is the latet charging connector which is now adopted by mobile devices such as cell phones, outdoor cameras and tablets.
