- Great sound isolation from the closed-back design

Matte style. Maximum comfort.
- Eye-catching matte colourways
- Lightweight, adjustable cushioned headband
- Soft ear cups that can be angled for maximum comfort

PHILIPS

On-ear Wireless Headphones
32 mm drivers/closed-back On-ear, Compact folding, Up to 29 hours play time

TAH4205WT/00

Highlights

BASS boost button.

These on-ear headphones boast powerful 32 mm neodymium acoustic drivers that give you crisp sound and rich bass. When you want more, simply press the BASS boost button and you'll feel the difference instantly.

29 hours of play time.

You get up to 29 hours of play time from a 2 hour charge via USB-C. If you start running low on power, a quick 15 minute charge will keep the music playing for another 4 hours.

Lightweight

Available in stylish matte colourways, these on-ear headphones boast a cushioned headband that's so light you'll barely feel it. The soft ear cups are clearly marked for left/right ears and can be angled until they feel just right.

Flat-fold design

Roll with the bass. The ear cups fold flat and swivel inwards for easy storage in your pocket or bag. Just fold them up and you're ready to go.

Multi-function button.

Don't like the current track? Skip it with a long press. Want to reject a call? A simple button press takes care of that. Smart Bluetooth pairing means these earphones remember the last devices they were paired with.

Compact Foldable

Real compact foldable, which is excellent for travel and lets you take your music anywhere.
