- Super anti-shock protection for smooth music enjoyment
- Built-in Bluetooth® receiver for call and music streaming
- Rear-view camera mode for backing up safety
- Dual video outputs for entertainment in rear seats

PHILIPS

Highlights

DBB Dynamic Bass Boost

Activate the Dynamic Bass Boost (DBB), and the low-end bass frequencies are electronically enhanced to achieve consistent sound reproduction, especially when the speaker volume is set at a low level. You hear impressive bass at all times.

USB Direct and SDHC card slots

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more music, videos and photos via the built-in USB Direct and SDHC card slots.

Built-in Bluetooth® receiver

The Bluetooth® hands-free feature lets you use your mobile phone safely while driving and you don't have to miss any important calls. With the built-in Bluetooth® receiver, you can also conveniently stream your music files from your phone to your car entertainment system.
