PHILIPS

Highlights

Bass Pipe

Thanks to an acoustically-tuned air channel that turbo-charges the bass notes, you can enjoy fantastic realism and a truly involved listening experience.

Excellent sound quality

Acoustically-tuned design and high-quality drivers ensure best-in-class audio performance.

15 mm speaker driver

Small enough for optimum comfort while wearing and big enough to deliver crisp, non-distorted sound, the 15 mm speaker driver is an ideal size for listening enjoyment.

3D Flex Soft ear hook

This 3D ear hook is both soft and flexible, so it stays comfortably in place when you're active or enjoying your music on the move.

Comfort fit

This headphone is designed around the shape of your ear for extra comfort and more enjoyment during longer periods of listening.

Contoured ear hook

The ear hook stays put behind your ear even when you're on the move, keeping the earphone

comfortably in place and sounding great. The ear hook is the part that is in contact with the back of your ears and keeps the headphones on your ears

1.2 m cable

The ideal cable length to give you the freedom to put your audio device where you want.

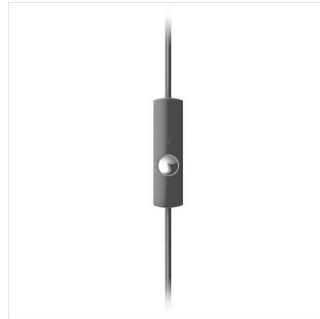

Designed for active use

Whether you are out running, cycling or taking part in any active pastime, this headphone will stay comfortably in your ear.

Extremely durable

You can be sure that the product will have an extra-long life thanks to its design, which allows it to withstand knocks and rough use, and the fact that it is made from strong materials.

Integrated microphone

With the integrated microphone and call button you can use this Philips headset for music as well as calls from your mobile phone. Enjoy hands-free calling, while easily accepting and ending calls from your headset.
