Features

Passive radiator. Punchy bass

The bass you get from this compact little speaker is unbelievably rich and punchy. Bring your music with you and hear it clearly in any room in the house. Perfect for work, rest and play at home.

3 light modes

This great speaker features three light modes so you can put some real mood into your music. Choose between a multi-colored party display, a multi-

colored fader and a soft, white fader for when you want to settle down at the end of a long day.

Smart, fabric-covered design

Smooth, rounded corners and a fabric covering create a sleek aesthetic. An attached, bespoke lanyard makes it easy to bring the speaker with you. This smart speaker is not only easy to take from room to room—it also looks great in any of them!

7 hours play time

This hardy little speaker won't let you down when you need it. Charge with the included USB-C cable for seven hours of continuous play time.

Connect via Bluetooth

Stream playlists from your mobile device via Bluetooth. Your media sounds rich, deep and clear through this great little speaker. Bring your favorite sounds and cool mood lighting to any room in your house.
