Immersive Sound for your TV

Soundbar with wired subwoofer

Make the most of your content with this wall-mountable soundbar. Enjoy richer sound and deeper bass with HDMI ARC input that allows 4K audio pass-through and a range of other connectivity options such as Bluetooth, optical input and USB.

Music and movies

- Robust metal grille for clear sound
- Connect your favorite sources for bigger sound
- HDMI ARC. Control the soundbar with your TV remote

See it. Hear it. Love it.

- Integrated wall brackets
- Place on your TV table, the wall, or any flat surface
- Big, bold bass from compact subwoofer

Designed for simplicity

- Low-rise profile for the perfect fit in front of your TV
- Flexible placement on the wall, tabletop or stand

PHILIPS

Highlights

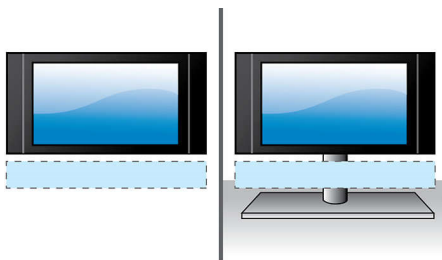

Big bold bass **Wired Sub**

The compact size of the subwoofer packs a big, bold and punchy bass that will shake the room.

Connect your favorite sources

Stream playlists from your mobile device via Bluetooth. Connect audio sources via audio-in or optical input. Whatever you love, it will sound louder and clearer through this soundbar.

Flexible placement

Enjoy the versatility of this home theater system that allows you to place it where you

will. Whether on a TV stand, on a table or mounted on a wall, the product looks sensational and functions without compromise. For once, you get to control how your home looks without giving up an incredible home theater experience.

HDMI ARC

The days of hunting for multiple remotes are over. This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote you use for your TV.
