Highlights

Enhanced 1.3 megapixels

Your webcam gives you 1.3 Mega pixels (software enhanced) for both video and photo resolution. So, you can use it to take high-quality photos that still look great when printed as larger-sized images.

Webcam lens cover

Webcam lens cover protects privacy

Simple plug-and-chat

Just plug in the webcam to USB of your computer. It is recognized by the computer and works immediately. You can start video chatting as simple as that.

Highly sensitive headset mic.

For clear and uninterrupted online conversations, the headset provides a perfect solution as it comes with a highly sensitive microphone that picks up your voice clearly.

Snapshot button

Snapshot button for instant photos

Universal webcam clamp

The universal clamp makes it easy to sit or mount the webcam securely on top of any desktop computer, notebook and also LCD screen. The design is especially secure and the webcam won't move or fall when you're in the middle of a conversation.
