# Highlights

## 3 earcan patterns included

You can customize your earcans with any of the 3 earcan patterns included or alternatively you can design your own pattern of choice

## Hi-sensitivity mini mic

Despite being further away from your mouth, the high-sensitivity mini microphone still picks up your voice so others can hear you clearly

## Inline mute and volume control

Convenient inline mute and volume controls allow for quick adjustments

## 40mm drivers for extra bass

Acoustically tuned 40mm neodymium drivers ensure balanced sound performance and solid bass

## Soft cushions

Extra soft cushions of these Philips headphones provide enhanced wearing comfort without feeling hot. The adjustable padded headband ensures a comfortable fit without feeling pressure.
