Highlights

4-in-1 remote control

Replace a table full of remote controls with one robust unit that operates your TV, DVD player/recorder, satellite receiver, digital terrestrial receiver or cable set-top box (STB) and VCR, regardless of the brand or model.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Splash and shock resistant

The tough housing can withstand splashes and spilled drinks, and is able to withstand a drop of at least one meter onto a hard floor.

Chrome finish

Stylish chrome finish that looks good and complements the latest equipment design.

Dedicated SKYTV keys

Specially labelled function keys on the remote control make operating your SKYTV digital set-top box easier than ever before.

Battery-low indication

To know in time when the batteries need to be recharged or replaced.

Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
