- DivX Plus HD Certified for high definition DivX playback
- HDMI for high definition movies and picture quality
- Audio in to enjoy music from iPod/iPhone/MP3 player

Designed to enhance your cinema at home

- Modern design to complement your home environment

PHILIPS

Highlights

Full HD 3D Blu-ray

Be enthralled by 3D movies in your own living room on a Full HD 3D TV. Active 3D uses the latest generation of fast switching displays for real life depth and realism in full 1080x1920 HD resolution. By watching these images through special glasses with right and left lenses that are timed to open and close in synchrony with alternating images, the full HD 3D viewing experience is created in your home cinema. Premium 3D movie releases on Blu-ray offer a wide, high quality selection of content. Blu-ray also delivers uncompressed surround sound for an unbelievably real audio experience.

1000W RMS power

1000W RMS power delivers great sound for movies and music

Dolby TrueHD and DTS-HD

Dolby TrueHD and DTS-HD Master Audio Essential deliver the finest sound from your Blu-ray Discs. Audio reproduced is virtually indistinguishable from the studio master, so you hear what the creators intended for you to hear. Dolby TrueHD and DTS-HD Master Audio Essential complete your high definition entertainment experience.

Double Bass Sound

Powerful speakers with a bass-reflex system and double basspipes enhance the lower frequencies and deliver rock-solid, deep bass sounds. You'll be able to hear the lowest murmur or the deepest roar.

HDMI for HD movies

HDMI is a direct digital connection that can carry digital HD video as well as digital

multichannel audio. By eliminating the conversion to analog signals it delivers perfect picture and sound quality, completely free from noise. Movies in standard definition can now be enjoyed in true high definition resolution - ensuring more details and more true-to-life pictures.

Philips MyRemote

The Philips MyRemote app lets you use your smartphone or tablet as a remote to control your Philips AV products that are connected to your home Wi-Fi network, and gives you instant control from anywhere in your home. It also comes with useful functions such as SimplyShare to connect and stream all entertainment wirelessly; and MySound to customize your listening preferences.

SimplyShare

Philips SimplyShare lets you share your music, movies & photos from tablet, smartphone & PCs to your home theater & Blu-ray player. You can stream all entertainment directly from your DLNA-enabled devices or use remote control to access & stream media files from your PC. For the best wireless experience, install the SimplyShare app on your tablet/ smartphone. You are now ready to enjoy all your entertainment effortlessly.
