

Wireless noise cancelling headphones

- 32mm drivers/closed-back
- On-ear
- Soft ear cushions
- Full folding

TABH305BK/00

Big bold bass. No distractions.

Tune in to your sounds with big, bold bass. Tune out distractions with Active Noise Canceling (ANC). These wireless on-ear headphones are all about the beats you love. A single charge gives you up to 15 hours play time, even with ANC on.

Benefits

Big bold bass. No distractions.

- 15 hours play time with Active Noise Canceling (ANC) on
- Big bass. 32 mm neodymium acoustic drivers
- 18 hours play time with ANC off
- 2 hours charging time via USB

Easy to carry. Easy to wear.

- Weight is just 145.5 g. Feel light. Listen heavy
- Flat-fold design for easy storage in your pocket or bag

Features

15 hrs play time (ANC on)

Active Noise Canceling (ANC) ensures the rumble of the train won't interfere with the boom of the beat. Want silence? Simply activate ANC without any music playing. You get up to 15 hours play time with ANC on, and 18 hours play time with ANC off. Charging time is just 2 hours via USB.

- Lightweight, adjustable headband
- Soft ear cups that can be angled for maximum comfort

Voice control. Music or calls.

- Multi-function button. Easily control music and calls
- A double button-press wakes your phone's voice assistant

Roll with the bass

Take the dance floor with you. The 32 mm neodymium acoustic drivers keep the sound crisp and the bass big.

PHILIPS

Easy to wear

Weighing just 145.5 g, these wireless on-ear headphones let you bring the bass in real comfort. The headband is easily adjustable and so light you'll barely feel it. The ear cups are soft and can be angled until they feel just right.

Easy to move

The ear cups fold flat and swivel inward, for easy storage in your pocket or bag. Just fold them up and bring them with you.

Multi-function button

Easily control music and calls via the multi-function button. Don't like the current track? Skip it with a long press. Want to reject a call and keep listening? A simple button-press takes care of that.

Hey Siri! Hey Google!

Wake your phone's voice assistant with a double button-press. Ask Siri or Google Assistant to set up your next playlist, call or send messages to friends, check the weather, and more.

18 hours play time (ANC off)

18 hours play time with ANC off. Charging time is just 2 hours via USB.

2 hours charging time via USB

Lightweight adjustable headband

Soft ear cups
