# Highlights

## Activity indicator

An appealing glow shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

## Fast data transfer

High-speed data transfer rates significantly cut annoying waiting time when you are copying large multimedia files to or from your computer's hard disk.

## Trendy colourful design

Pick your trendy colour; canary yellow, party pink, ultraviolet purple, dragon green, electric blue or sunrise orange to enhance your daily pursuits of storing and sharing your data and hike up the fun factor

## 32 GB storage capacity

A useful 32 GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

## User-friendly protective cap

Never lose your cap again! The protective cap is integrated into the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards, plug the stick in and play.
