

CAT 6 networking cable

- 305 m
- Grey

SWN2620B/59

Connect to the Ethernet

High-speed data transfer

Ensure a reliable connection to the Ethernet, Local Area Networks (LAN) and other networks with this 23 AWG Cat6 UTP cable. For indoor use.

Benefits

Maximizes data transfer

- Superior shielding maximizes data transfers
- Twisted pair design

Enjoy extended durability

- Corrosion-resistant connectors
- Flexible PVC jacket

PHILIPS

Features

Superior shielding

Superior shielding maximizes data transfer by guarding against external radio frequency noise.

Corrosion-resistant connectors

Compressed brass with 24K gold-electroplated connectors creates a secure and extremely durable connection that optimizes signal quality and delivers the best picture and data transfer.

Twisted pair design

Twisted pair cable design reduces cross talk for clearer signals.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.
