Highlights

Built-in rechargeable battery

Play music out loud - anytime, anywhere. The built-in rechargeable battery lets you enjoy your personal music without the fuss of entangled power cords and the inconvenient search for an electrical outlet. Enjoy great music with the freedom of portability now.

Up to 8 hours music playback

Enjoy music playback for up to 8 hours on a single charge.

Wireless music streaming

Your speaker supports Bluetooth music streaming. It lets you enjoy your favorite tunes in high quality music wirelessly from your Bluetooth enabled devices.

Bluetooth-enabled

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to other Bluetooth devices, so you can play your favorite music from any smartphones, tablets or even laptops including iPod or iPhone on Bluetooth-enabled speaker easily.

Built-in microphone

With its built-in microphone, this speaker also works as a speaker phone. When a call comes in, the music is put on pause and you can talk via the speaker. Call for a business meeting. Or, call your friend from a party. Either way, it works great.

Charge and play in one cable

This Philips speaker comes with one cable for both battery charging & aux-in music playback. Conveniently eliminate cable clutter and enjoy uncompromised signal quality.
