- Colour: Black
- Ear coupling material: Silicone
- Ear fitting: In-ear
- In-ear fitting type: Silicone ear-tip

TAT1215BK/10

Highlights

6 mm neodymium drivers.

6 mm neodymium drivers. Clear sound, punchy bass

Noise and echo cancellation

No more of those annoying echoes when you are talking on the phone. With our acoustic echo cancellation, you always get a clear, undisturbed connection.

IPX4

The small charging case couldn't be more convenient, and these true wireless headphones are also resistant to splashing from any direction. They won't mind a little sweat, and you don't need to worry about getting caught out in the rain.

Secure, comfortable fit

You get great sound from the 6 mm neodymium drivers and you can rock your tunes in real comfort thanks to the snug, lightweight design. Soft, interchangeable ear-tip covers help you find a comfortable in-ear fit.

Smart Bluetooth pairing.

These earphones are ready to pair the instant you take them out of their charging case. Once they're paired, the earphones remember the last device they were paired with.

Earbud switches

A button on each earbud makes it easy to control your listening. Adjust, skip or pause tracks, take or reject calls and more. The built-in mic with echo cancellation keeps sound clear when you do take a call.

Super-small charging case

You get up to 6 hours play time from a single charge, plus 12 extra hours from a fully charged case.

Voice Assistant

Wake your phone's voice assistant without touching your phone. Ask Siri or the Google Assistant to play some music, call or send messages to friends, check the weather and more.
