Highlights

Simply better TV sound

The crackle of laser fire. The roar of a crowd. Clear speech in the news. Two channels bring new levels of sound to your favorite movies and shows. Simply select one of three preset sound profiles to get the best sound for what you're watching.

HDMI ARC

The days of hunting for multiple remotes are over. This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote you use for your TV.

Distinctive geometric design

See it. Hear it. Love it. The unique slanted design of this soundbar looks great in any room, and it's low enough to place under most TVs. You can also mount to the wall with the integrated brackets.

Robust metal grille

Robust metal grille for clear sound

Ready for your favorite tunes

Movie over? Time for a post-series-finale discussion? Once the on-screen drama has ended, switch the soundbar to Bluetooth and cue up a playlist. Or play your tunes straight from the audio-in port. You'll enjoy the same richer sound, whatever you love to listen to.

Distinctive design

The beautifully simple, angled design and low profile make a statement in any home. When it comes to placement, the included wall brackets keep your options open. The slim design of the powerful subwoofer makes it easy to conceal.

Connect your favorite sources

Stream playlists from your mobile devices via Bluetooth. Connect audio sources via audio-in or HDMI. Whatever you love, it will sound louder and clearer through this soundbar.

4 EQ modes
