### Call from the phonebook

1. Press 🕮 in idle mode.
2. Scroll 🔄 to a phonebook entry.
3. Press 📞.

   The call is initiated.

Listen to messages recorded on the answering machine (for answering machine phone only)

Press [on/off] on the base station to turn on the answering machine (the LED is turned on).
Press [on/off] again to turn off the answering machine (the LED is turned off).

Press [▶▌] on the base station to play phone messages (the last recorded message will be played first).

Press [▶▌] to skip the current message and play the next message.

Press [▌◀] to go back to the previous message (if pressed within 1 second of current message playback).

Press [▌◀] to replay current message (if pressed after 1 second of current message playback).

Press [−] [+] to adjust speaker volume during message playback.

Press [✕] to delete the current message.

Refer to your new phone's User Manual for details about the answering machine function.

Troubleshooting

For more information, please refer to the User Manual that came with your phone.

Problem	Solution
• There's no dialling tone!	• Check the connections • Charge the batteries • Use the line cable provided
• Caller cannot hear me clearly!	• Move closer to the base station • Move the base station at least one metre away from any electrical appliances
• SEARCHING... is displayed on handset and 📶 icon is blinking!	• Move closer to the base station • Reset your unit and restart the handset registration
• Calller number is not displayed!	• Check your subscription with your network operator

Warranty card

Quick Start Guide

*You may find in the box the line adaptor delivered separately from the line cable. **In this case, you have to connect the line adaptor to the line cord first before plugging the line cord to the line socket.**
In multihandset packs, you will find one or more additional handsets, chargers with power supply units and additional rechargeable batteries.

WARNING Always use the cables and batteries that came with your phone.

1 Connect
Connect the base station

1. Place the base station in a central location near the telephone line socket and electricity socket.
2. Connect the line cord and the power cable to their corresponding connectors at the back of the base station.
3. Connect the other end of the line cord and power cable to their respective sockets.

2 Install
Insert rechargeable batteries and charge

Insert batteries

Charge handset for 24 hours

Configure your phone (if necessary)
After charging your phone for a few minutes, a Welcome screen may appear depending on the country where you live. If the Welcome screen appears:
1. Press OK to display a list of countries.
2. Scroll to find your country.
3. Press OK to confirm your selection.

Your phone is now ready for use.

3 Enjoy
