Highlights

Reliable performance
Excellent technology is used in manufacturing to guarantee reliable and long-term performance.

Shelf life up to 5 years
Every battery suffers from energy loss when not in use. We guarantee that the battery contains at least 80% of its initial energy within the best before date.

Power for small devices
The Lithium, Silver and Alkaline technologies offer a reliable maximum power and lifetime value for small devices.

No mercury added
No mercury added to the Minicells battery for a better environment.
