PHILIPS

Feature highlights

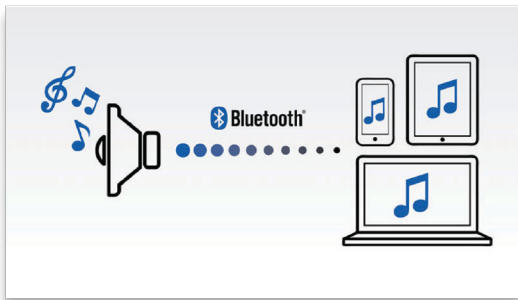

USB record

It allows you to record music or any voice to USB from FM and Audio-In.

FM tuner

The built-in FM tuner lets you enjoy your favorite songs or news from your radio station every day. Simply tune into the station that you want to listen.

Bluetooth-enabled

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to other Bluetooth devices, so you can play your favorite music from any smartphones, tablets or even laptops including iPod or iPhone on Bluetooth-enabled speaker easily.

USB direct for MP3 music

USB slots for music playback. Thanks to the complete file transferability, Enjoy MP3 music directly from your portable USB devices.
