SBT550WHI/12

Highlights

Wireless music streaming

Your speaker supports Bluetooth music streaming. It lets you enjoy your favorite tunes in high quality music wirelessly from your Bluetooth enabled devices.

Bluetooth-enabled

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to other Bluetooth devices, so you can play your favorite music from any smartphones, tablets or even laptops including iPod or iPhone on Bluetooth-enabled speaker easily.

20W RMS total output power

RMS refers to Root Mean Square which is a typical measurement of audio power, or rather, the electrical power transferred from an audio amplifier to a loudspeaker, which is measured in watts. The amount of electrical power delivered to the loudspeaker and its sensitivity determines the sound power that is generated. Essentially, amplifiers are limited by the electrical energy they can amplify and loudspeakers by the electrical energy they can convert into sound energy, without distorting the audio signal. The higher the wattage, the better the sound power emitted by the speaker.

Bass Reflex Speakers

A chamber behind the speaker driver that channels air to acoustically tuned vents built into the speaker give the bass notes a more punchy, realistic sound.

Rich and dynamic sound

Powerful drivers deliver music that pack a solid punch, with deep and dynamic bass to keep you motivated. The premium quality drivers ensure a vivid sound experience.

Built-in USB port

This speaker comes with a USB port, allowing you to conveniently charge your device. Simply connect your device with its USB cable to the back of the speaker.

AUDIO-IN (3.5mm)

Make one easy connection and enjoy all your music from portable devices and computers. Simply plug your device to the AUDIO-IN (3.5 mm) port on your Philips set. With computers, the connection is typically made from the headset output. Once linked, you can enjoy your entire music collection directly, on a set of superior speakers. Philips simply delivers better sound.

Specifications

Product dimensions

- Product dimensions (W x H x D): 38 x 11 x 14,9 cm
- Weight: 1,5 kg

Compatibility

- works with: most Bluetooth smartphones, tablets, music devices
- iPad: iPad 1, iPad 2
- iPhone: iPhone 3, iPhone 3GS, iPhone 4, iPhone 4S
- iPod touch: 3rd generation or later
- Android tablets & smartphones: with Android 2.1 and Bluetooth 2.1 or above
- other music devices: with Bluetooth 2.1 or above

Connectivity

- Bluetooth profiles: A2DP, AVRCP, HFP, HSP
- Bluetooth range: Line of sight, 10M or 30FT
- USB charging
- Audio Connections: 3.5mm Line in

Sound

- Output power (RMS): 20W
- Sound System: Stereo
- Speakers: 2.5"

Loudspeakers

- Bass reflex speaker system

Power

- Mains power: 110 - 240V

Accessories

- A cable for: 3.5mm line-in
- Warranty certificate
- World Wide Warranty leaflet
- Quick start guide

Dimensions

- Product dimensions (WxDxH): 380 x 119 x 112 mm
- Packaging dimensions (WxDxH): 480 x 165 x 170 mm
- Product weight: 1.5 kg
- Weight incl. Packaging: 2.13 kg
