Highlights

15 hours of play time

It's easy to pair these Bluetooth on-ear headphones, and you get up to 15 hours of play time from a 2 hour charge. If you start running low on power, a 15 minute charge will keep the music playing for another 3 hours.

Crisp, clear sound

Powerful 30 mm neodymium acoustic drivers give you crisp sound, while the closed-back design ensures great sound isolation. Enjoy every minute of your tunes without others hearing what you're listening to.

Easy to wear. Easy to use

Cushioned ear cups provide an extra level of comfort during listening sessions. Buttons on the ear cup let you adjust the volume, skip or pause tracks, take or reject calls – and more.

Flat-fold design

Roll with the bass. The ear cups fold flat for easy storage in your pocket or bag. Just fold them up and you're ready to go.
