- Surround speaker Weight: 0.47 kg
- Center speaker dimensions (W x H x D): 100 x 100 x 75 mm
- Center Speaker Weight: 0.66 kg
- Subwoofer dimensions (W x H x D): 123 x 310 x 369 mm
- Subwoofer Weight: 3.875 kg
- Packaging dimensions (W x H x D): 564 x 302 x 380 mm
- Weight incl. Packaging: 11.3 kg

Highlights

DivX Ultra Certified

With DivX support, you are able to enjoy DivX encoded videos in the comfort of your living room. The DivX media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, and DVD recordable discs. DivX Ultra combines DivX playback with great features like integrated subtitles, multiple audio languages, multiple tracks and menus into one convenient file format.

Dolby Digital and Pro Logic II

A built-in Dolby Digital decoder eliminates the need for an external decoder by processing all six channels of audio information to provide a surround sound experience and an astoundingly natural sense of ambience and dynamic realism. Dolby Pro Logic II provides five channels of surround processing from any stereo source.

Advanced Class D Amplifier

Advanced Class D Amplifier for compact, powerful sound

RGB on Scart connectivity

RGB on Scart is a cable connection that provides easy connectivity for high quality video output.

Plays it all

Play virtually any media format you want - whether they be DivX, MP3s, WMA or JPEGs. Experience the unbeatable convenience of great playability, and the luxury of sharing media files on your TV or home theater system - in the comfort of your living room.

Plays it all

Play virtually any disc you want - whether they be CDs, (S)VCDs, DVDs, DVD+R, DVD-R, DVD+RW, DVD-RW or DVD+R DL. Experience unbeatable flexibility and the convenience of playing all your discs on the one device.

Easy-fit™ connectors

Color-coded connectors provide a simple and user-friendly solution to connect the speakers and subwoofer to the center unit of the home entertainment system simply by plugging the connectors in the matching colored interface at the rear of the center unit.
