

Philips  
Digital PhotoFrame

• 17.8 cm (7")

SPF2307

## "And still getting cuter!"

Make it cheeky. Make it funny. Or bring a tear to someone's eye. Of course, a picture says a thousand words. But now you can add your own special messages to your photos - making your gift even more memorable and meaningful!

### **A gift that is full of surprises**

- Personalise with your own photos and messages
- Get inspired with built-in greeting cards
- Set surprises for future occasions with the built-in timer

### **Reasons to keep your PhotoFrame on every day**

- A choice of 15 fun, animated clocks to keep time your way
- A dedicated button lets you toggle between photo and clock
- choose to view your photos with 10 collage styles!
- Be prepared to get surprise messages from your friends

### **Green design**

- Auto on/off display at pre-set times for power saving
- Our packages are small to minimise materials used

# PHILIPS

# Highlights

## Personalise your PhotoFrame

Personalise with your own photos and messages in three simple steps. 1. Pick your photo 2. Personalise with a message 3. Present ready for gifting!

## Built-in greeting cards

Don't know what to say? The good news is, we've included lots of inspiring and heartfelt messages for you to choose from. Pick one to add as it is or edit to personalise.

## Set surprises with the timer

Set a timer to the photos that you have personalised. These photos will appear in time for a birthday, anniversary or any special celebration. A great way to create Surprises!

## A choice of 15 animated clocks

Keep time your way, with a choice of 15 fun animated clocks.

## Dedicated mode button

A dedicated mode button let you quickly toggle between photos and clocks. Press once to go from photo slideshow to clock. Press again to go from clock to photo slideshow.

## View photos with collages

choose to view your photos with 10 collage styles!

## Auto on/off display

A timer turns PhotoFrame on and off at the times you choose, reducing energy consumption for the sake of our environment and saving up to one third of your PhotoFrame energy costs.
