Bluetooth party speaker

Bluetooth

TAX4105

Drop the bass

Be the life of the party with this room-shaking speaker. Celebrate with multiple inputs, and channel the singer in you with the wireless mic. You get light effects and a trolley, so the party can follow you where you go.

Enjoy your music from multiple sources

- USB Direct and SD card slots for MP3/WMA playback
- Audio-in for portable music playback
- Stream music wirelessly via Bluetooth™ from your smartphone

Designed to party

- Karaoke with dual mic input
- Handles and wheels for easy transportation
- All-in-one design fits any space, any lifestyle

Boom. Shake the room.

- Party light effects. Blaze to the music

Rock those skills

- Buttons for vocal effects, light mode, track/play/pause

PHILIPS

Highlights

All-in-one design

All-in-one design fits any space, any lifestyle

Audio-in

The Audio in connectivity allows direct playback of Audio in content from portable media players. Besides the benefit of enjoying your favorite music in the superior sound quality delivered by the audio system, the Audio in is also extremely convenient as all you have to do is to plug your portable MP3 player to the audio system.

Buttons on speaker

Buttons for vocal effects, light mode, track/play/pause

Handles and wheels

Bring massive sound wherever you need it, upstairs, downstairs, indoors or out. NITRO audio solutions slip smoothly into any home thanks to their optimized footprints and clutter free, convenient controls integration. Link them up with your TV or PC to supersize your experience and make music and movies sound bigger than ever. Or move them

outside using built-in handles and wheels to turn them into the ultimate outdoor party sound system.

Karaoke with dual mic input

Karaoke with dual mic input

Blaze to the music

Get everyone up and dancing with party light effects. Colored lights on the speakers pulse in time to the music, flash in different orders, or stay on in a steady glow.

Stream music via Bluetooth™

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to iPod/iPhone/iPad or other Bluetooth devices, such as smartphones, tablets or even laptops. So you can enjoy your favorite music, sound from video or game wireless on this speaker easily.

USB Direct and SD card slots

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more digital music via the built-in USB Direct and SD card slots.
