Highlights

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

30 mm speaker driver

Compact for wearing comfort yet big enough to deliver crisp, powerful sound, the 30 mm speaker driver is a perfect size for non-distorted listening enjoyment.

CCA W voice coil

By using top-quality Copper Cladded Aluminium Wire (CCA W) in the headphone driver's voice coil, the sound quality is considerably improved.

Lightweight design

The durable, lightweight quality materials of these Philips headphones enhance comfort for extended wearing.

Neckband style

for comfortable wearing, great sound, and style

Neodymium magnets

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.

Rear cable exit

The headphone cable is centered at the back of the neckband so you're hardly aware it's even there.

Sweat-resistant ear cushions

for use in active sports

Swivel ear pads

improves wearing comfort by automatic adjustment
