Self-sharpening blades

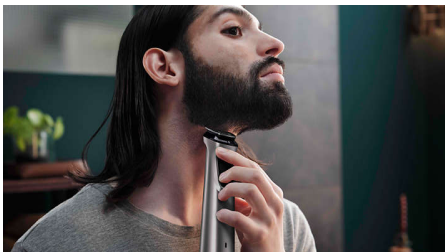

The self-sharpening steel blades on this trimmer for face and body are reinforced with iron and tempered for maximum strength. This results in blades that stay as sharp as day 1. No rusting. No blade oil needed.

19 tools for face, hair & body

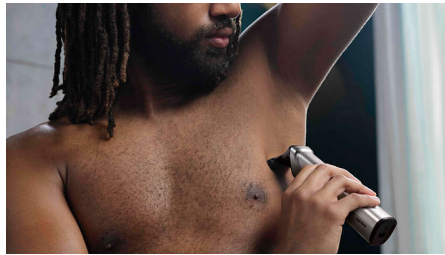

The Philips Multigroom 7000 all-in-one hair trimmer comes with 19 attachments to provide a full-body grooming solution.

Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Bodyshaver with skin protector

Comfortably shave below the neck with our unique skin-protection system that guards even the most sensitive areas of your body and lets you shave as close as 0.5 mm

Precision shaver

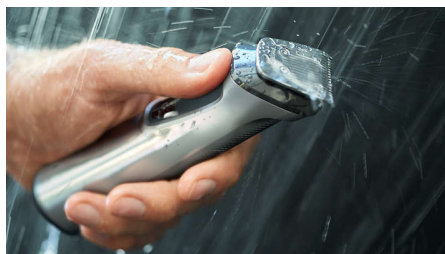

Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

30% faster hair trimming*

The extra-wide 41 mm hair clipper cuts through more hair per stroke.

Showerproof

This trimmer is designed to be water-resistant, so that you can use it comfortably in the shower and easily clean it under the tap.

Full-metal detailer

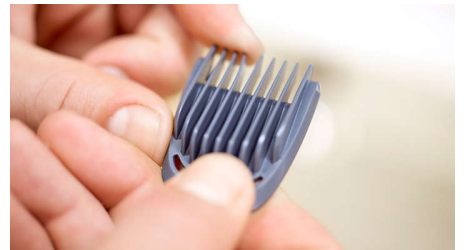

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose, eyebrow and ear hair trimmer

Avoid nicks and cuts as the all-in-one trimmer quickly removes unwanted nose, eyebrow and ear hair.

12 Impact-resistant combs

Quickly touch up your face and hair with the nine reinforced cutting guards. 2 stubble combs for 1 mm and 2 mm trimming, an adjustable beard comb, 4 wide hair combs for 4 mm, 9 mm, 12 mm and 16 mm, 2 body combs for 3 mm and 5 mm grooming, 2 fading hair combs and 1 eyebrow guard.
