- Party lights pulse and flash
- Powerful sound with extra heavy bass

PHILIPS

Bluetooth party speaker

Flashing party light Wireless party link, Rechargeable battery, 50 W RMS. 100 W max output

TAX4207/98

Highlights

Extra bass. 12 hours play time

This awesome karaoke cube speaker will bathe the room in rich sounds and banging bass. The built-in battery lets you take the party outside for up to 12 hours play time on a single charge.

Party lightshow

Flashing party lights on the front of the cube pulse and flash, creating a brilliant lightshow. The back light will change color and pulse while the front light strobes.

2 Karaoke mic inputs

2 mic inputs let you add your voice to the party with karaoke mode. Kick it up with echo,

female/male voice switch and vocal fader voice effects. Both mics and effects have their own controls on the speaker.

Bluetooth, USB and audio-in

Connect any way you like. Stream your tunes via Bluetooth. Easily connect other devices via audio-in or USB. You can also connect to another speaker or amp using the line-out socket.

Wall of light and sound

You can connect up to 50 speakers together. A handle in the top and the cube design allow you to easily stack speakers on top of each other. Create a wall of sound and lights to get your party started right.
