Highlights

Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

Up to 8.5 hours talk time

The phone can support up to 8.5 hours talk time on a single charge.

Voice appointment reminder

An enhanced agenda function for users to create voice-based appointments which will alert them with an audio or voice memo when appointments are due.

1000 phonebook entries

Huge storage memory holds up to 1000 phonebook entries and up to 5 numbers each allowing convenient storage of all business and personal contacts.

30 minutes of voice recording

You can record up to 30 minutes of voice memos, voice agendas, or phone conferences, or download audio content via MMS (Multimedia Messaging Service) to store in the phone's memory for future reference.

Up to 14 hours talk time

The phone can support up to 14 hours conversation on a single charge.

4x progressive digital zoom

You can zoom the picture in and out to 4 times the original. When in camera mode, simply press the "Up" or "Down" navigator key to quickly zoom in or out. Pressing the "Up" or "Down" navigator key for a longer time continuously zooms the photo in or out.
