- Watch. Listen. Share with AirPlay

# Roku TV

6500 Series LED LCD TV

42PFL6574/F7

## Highlights

### Full HD 1080p display

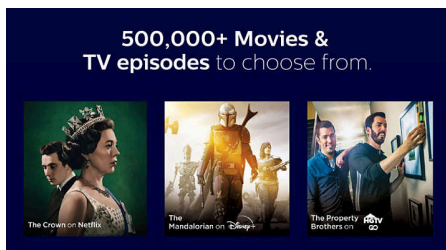

Experience 1920x1080 Full HD resolution with flicker-free technology for a more brilliant entertainment experience.

### Entertainment for everyone

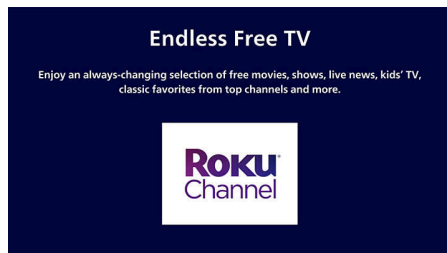

Quickly access your cable box, satellite, HDTV antenna, and favorite streaming channels—all from your home screen.

### #1 smart TV platform in North America

Get more from your TV. Choose from a large selection of entertainment across popular streaming services.

### The Roku Channel

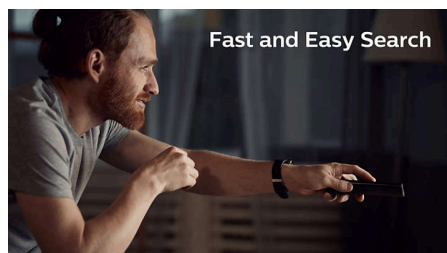

Stream hit movies, TV shows, 150+ live channels, family entertainment and more for free.

### Automatic software updates

The Roku OS is automatically updated to ensure that apps and services always work. The Roku remote has everything you need to control your Roku television, including pre-set shortcut buttons that launch popular apps in just one push.

### Fast and easy search

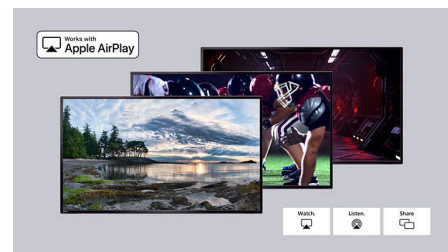

Search by title, actor, or director to see where to stream your favorite shows for free or at the lowest price.

### Works with Voice Assistant

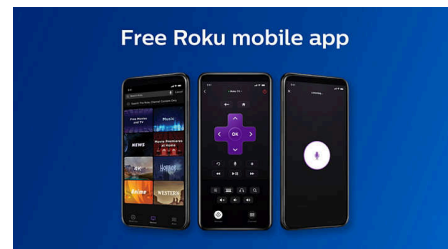

Easily control your TV from anywhere in the room with just your voice. Compatible with Siri, Alexa, or Hey Google.

### Works with Apple AirPlay

Effortlessly stream videos, photos, music, and more from your Apple device to your TV with AirPlay.

### Free Roku mobile app

Use the Roku mobile app as an extra remote. Enjoy private listening, search with your voice or keyboard, and save shows for later.
