Highlights

3500K warm white light

Upgrade your headlights without compromising your look! Philips Ultinon Classic LED bulbs project an elegant warm white light, comparable to that of other halogen headlights, giving your car a timeless appearance. Color-match them with your other front lights while benefiting from the improved brightness of LEDs. Experience the perfect blend of classic style and modern technology.

Beam outperforms halogen

Philips Ultinon Classic LED bulbs are designed to deliver a superior light beam compared to halogen bulbs in a compact, universal format. Leveraging the latest innovations in LED technology, they offer the same luminous flux as standard ECE halogen bulbs while significantly enhancing beam performance with lower energy consumption. With up to 80% extra brightness**, Philips Ultinon Classic LED

bulbs provide drivers with a better view of the road, making it easier to spot obstacles and drive safely.

Plug-and-play installation

With Philips Ultinon Classic LED bulbs, installation is so quick and easy that retrofitting them is child's play! There's no need for compatibility checks or adapter rings: Philips Ultinon Classic LED bulbs come with an ultra-compact body and an integrated IEC 60061-compatible base. Their direct-fit design features the same footprint as halogen bulbs, enabling straightforward installation in tight spaces. They fit easily and ensure broad compatibility with most vehicle models*.

Automotive-standards compliant

Technologically advanced, Philips automotive lighting products have been renowned in the automotive industry for over 100 years. Aware that the performance of our products depends

on their compatibility with the demands of today's automotive environment, we design our products as closely as possible to industry standards. Our Philips Ultinon Classic LED bulbs comply with EMI standards for electromagnetic interference. Precision-engineered to withstand the rigors of modern automotive life, our bulbs won't disrupt the operation of other vehicle components.

Long-lasting performance

Philips Ultinon Classic LED bulbs are rigorously tested and checked to ensure long-term durability and long-lasting performance. Our range offers up to three times the life of a comparable halogen bulb and homogeneous light throughout the bulbs lifespan. The Philips Ultinon Classic range is covered by a Philips two-year warranty***. Enjoy the best of today's technology with Philips Ultinon Classic LED bulbs.

Specifications

Marketing specifications

- Product highlight: Traditional warm white light
- Expected benefits: Classic white LED, Color matching existing bulbs, Easy-fit

Product description

- Application: High Beam, Low Beam, Fog
- Base: PC26d/ PY26d-1
- Designation: LED H7/H18 11972 12V U2510 X2
- Designation LED Type: [≈H7], [≈H18]
- Operating Temperature: -40°C / +85°C
- Range: Ultinon Classic
- Technology: LED
- Type: H7, H18
- Homologation ECE R37: No
- Homologation ECE R10
- Polarity free

Lifetime

- Life time: 1500 hours

Light characteristics

- Color temperature: 3500 K
- Lumens: 1600 lm

Electrical characteristics

- Wattage: 16 W
- Voltage: 12 V

Ordering information

- Order entry: 11972U2510C2
- Ordering code: 2719131
- Gross weight per piece: 52 g

Packaging Data

- Packaging type: C2
- EAN1: 8719018027191
- EAN3: 8719018027207

Packed product information

- Length: 9.15 cm
- Width: 4.6 cm
- Height: 7.65 cm
- Pack Quantity: 2 pcs
- MOQ (for professionals): 4 sets / 8 pcs

Outerpack information

- Length: 20.2 cm
- Width: 10.5 cm
- Height: 10 cm

Issue date 2024-08-23

Version: 2.2.1

EAN: 87 19018 02719 1
