Designed for you

- Trendy USB stick due to colorful design
- Stylish and light design

Performance and capacity

- Fast data transfer with high-speed USB 2.0
- 128GB storage capacity for large data files

Highlights

Stylish and light design

Designed to be slim and light. This compact stylish design enables you to take data with you wherever you go. Always have your multimedia files and documents with you when you need them.

Trendy colorful design

Pick your trendy color; canary yellow, jelly pink, ultraviolet purple, absinthe green, electric blue or sunrise orange to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

Activity indicator

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

128GB storage capacity

A useful 128GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Fast data transfer

High-speed data transfer rates significantly cut annoying waiting time when you're copying large multimedia files to or from your computer's hard disk.
