

# PHILIPS

Data link transfer

HDMI

wireless

SWR8106W

## Extend the connection of HDMI

Support HDMI 4K resolution. WiFi transfer mode at 5 GHz with 200 meters transfer range.

### Enjoy extended durability

- Flexible PVC jacket
- Corrosion-resistant connectors
- Rubber strain relief
- Molded ends for extended durability

### Meets your specific connection requirements

- A/5-Pin Mini B Connectors
- Gold-plated A Male/B Male connectors for better conductivity
- PC and Mac compatible
- 1.8 meter internet cable

### Maximizes data transfer

- Superior shielding maximizes data transfers

# Highlights

## A/5-Pin Mini B Connectors

Meet your specific connection requirements with A Male/B Male connectors.

## Superior shielding

Superior shielding maximizes data transfer by guarding against external radio frequency noise.

## Gold-plated A Male/B Male

Gold-plated A Male/B Male connectors provide better conductivity by lowering contact resistance.

## Corrosion-resistant connectors

Compressed brass with 24K gold-electroplated connectors creates a secure and extremely durable connection that optimizes signal quality and delivers the best picture and data transfer.

## Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

## Molded ends

Molded ends prevent fraying and extend the life of your cable.
