Data link transfer

HDMI

wireless

SWR8106W

Extend the connection of HDMI

Support HDMI 4K resolution. WiFi transfer mode at 5 GHz with 200 meters transfer range.

Enjoy extended durability

- Flexible PVC jacket
- Corrosion-resistant connectors
- Rubber strain relief
- Molded ends for extended durability

Meets your specific connection requirements

- A/5-Pin Mini B Connectors
- Gold-plated A Male/B Male connectors for better conductivity
- PC and Mac compatible
- 1.8 meter internet cable

Maximizes data transfer

- Superior shielding maximizes data transfers

Highlights

A/5-Pin Mini B Connectors

Meet your specific connection requirements with A Male/B Male connectors.

Superior shielding

Superior shielding maximizes data transfer by guarding against external radio frequency noise.

Gold-plated A Male/B Male

Gold-plated A Male/B Male connectors provide better conductivity by lowering contact resistance.

Corrosion-resistant connectors

Compressed brass with 24K gold-electroplated connectors creates a secure and extremely durable connection that optimizes signal quality and delivers the best picture and data transfer.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Molded ends

Molded ends prevent fraying and extend the life of your cable.
