Highlights

A powerful, gentle clean

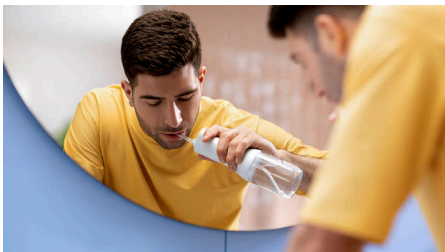

Designed to remove plaque and food debris even from hard-to-reach areas. Leave your mouth feeling fresh and clean without the hassle of string flossing.

Cordless, compact design

Compact, ergonomic design offers a convenient solution for everyday flossing. Cordless handle allows for easy portability and flossing anywhere.

360° nozzle rotation

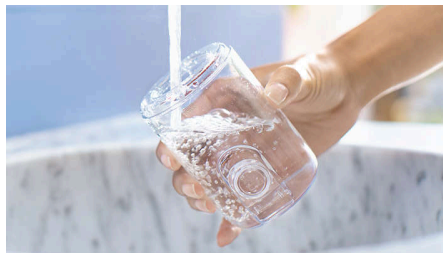

Access those hard-to-reach areas with a nozzle that rotates 360 degrees, so that you can use the device in any orientation.

3 intensity settings

Choose the clean that suits your smile. Adjustable intensity settings adapt for comfort and cleaning power.

250ml reservoir

Reservoir capacity of 250 ml holds enough water for a recommended 60-second clean. Simply twist and remove or use the side-fill door for easy refilling.

Fast charging with USB-A to Small Plug cable

Convenient charging with USB-A to Small Plug cable. You can clean for up to 14 days on just one charge.
