### **Power Alkaline**

Battery

# Highlights

#### **Alkaline technology**

Alkaline technology ensures power for high drain devices.

#### **Cadmium, Mercury and Lead free**

These Philips batteries are guaranteed free from harmful heavy metals such as Cadmium, Mercury and Lead.

#### **Complete range**

Philips offers a complete portfolio consisting of the most frequently used batteries (AA, AAA, C, D, 9V) in different packaging variations in order to meet your needs.

#### Language-free symbols

Universal language-free symbols on the packaging explain how and where the battery can or should be used.

#### 118% more power

Philips AAA Power Alkaline batteries have 118% more power than industry standard

#### **Green Eletron dispose battery**

To contribute to the environment and human health, use our reverse logistics partner Green Eletron to dispose of batteries in a responsible manner. See the website

https://www.greeneletron.org.br/pilhas for information on collection points.

#### Holds power up to 10 years

Every battery suffers from energy loss when not in use. We guarantee that the battery contains at least 80% of its initial energy within the best before date.
