Highlights

Conversation Hearing mode

For face-to-face conversations, these earbuds can help you hear the other person better! Simply press the left earbud to activate Conversation Hearing mode or use the Philips Headphones app. Beamforming mics pick up the voice of the person in front of you while noise canceling filters out ambient sounds.

Easy to wear. Easy to use

Cushioned ear cups provide an extra level of comfort on listening sessions. Buttons on ear cup let you adjust the volume, skip or pause tracks, take or reject calls-and more.
