Hairdryer

ThermoProtect

ThermoProtect

2100W

HP8204/10

Powerful drying and protected hair

Protect your hair while enjoying fast drying results. Choose from multiple speed and temperature settings to get the blow dry you want or select ThermoProtect for fast drying at a constant caring temperature.

Easy to use

- Easy storage hook for convenient storage
- 1.8m power cord

Beautifully styled hair

- Ultra narrow concentrator for perfect brushing
- Six flexible speed and temperature settings for full control
- Cool Shot sets your style
- DC Motor and 2100W of powerful airflow

Less hair damage

- ThermoProtect, protects your hair against overheating

Highlights

ThermoProtect anti overheating

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

Accurate control

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.

Cool Shot

A must-have professional function for hair stylists. The Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.

Powerful

This Philips Thermoprotect hairdryer creates 2100W for a fast airflow. The resulting combination of power and speed makes drying and styling your hair quicker and easier.

11mm ultra narrow concentrator

Perfect styling results and a shiny, polished look with a ultra narrow concentrator for precise styling.

1.8m cord

Convenient to use thanks to the 1.8m power cord length.

Easy storage hook

A rubberized hook can be found on the base of the handle. Use to store easily at home or if staying at a hotel.
